

Hon.-Prof. Dr. PhDr. Robert Sturm MBA, MM, MA

Fields of activities

For more than 20 years Robert Sturm has supported a variety of business- and non-profit organizations as well as individuals, groups and teams at home and abroad. His expertise as a Counsellor, Mediator, Supervisor, Trainer and Coach is in demand as well in the fields of economy and politics. In the meantime he focuses his energies on consulting in management and strategy, business and industrial development.

He acts and supports in an advisory capacity to his clients by intelligent solutions about the whole chain of added value. His fields of activities are restructuring, internationalization processes, rebuildings, reconstructions or rescue operations or succession plans of small and medium-sized enterprises. Furthermore he advises governments with respect to the potential of their country-specific growth and development in economy and industry.

Special scopes of activities

- Constitution and Management of Consulting and Business Agencies
- Development for Concepts and Strategies
- Development and Integration for Corporate Social Responsibility
- Strategies for Entrepreneurships and Start-ups
- Stabilising and Optimising of Existing Resources
- Identification and Recovery of Experts
- Advising, coaching und supervision of company directors, executives and politicians
- Consulting, training, mediation and facilitation

Academic career and achievements

Robert Sturm, born in Nuremberg in 1956, completed a number of university courses in the fields of economics, social sciences and humanities/arts in Germany and abroad. He supplements his own evolving studies and further education by lively activity in research and training at universities. This commitment was prized by granting an Honorary Doctorate (Dr. h.c.) by the University of Pitesti in the year 2008.
